

imageCLASS® D860

Personal Digital
Copier | Printer

Convenient Features with Dependable Performance

- Laser output at 2400 x 600 dpi print quality
- Copy up to 18 cpm and print at 16 ppm (letter)
- 30-page Automatic Document Feeder
- Legal-size platen glass for copying convenience
- 500-sheet cassette plus 100-sheet multipurpose tray
- Single Cartridge System

Imagine the technology of the best copier and printer built into one easy-to-use office machine.

With Canon's outstanding reputation for quality copying and printing, the imageCLASS® D860 will provide your office a WIN – WIN advantage.

WIN, when copying. The imageCLASS D860 copies at up to 18 copies-per-minute (cpm) for letter-size documents. Use the platen glass for single page originals or the 30-sheet Automatic Document Feeder for multi-page originals. Program the quantity needed and you're done. For extra convenience, multi-page documents will be collated in the output tray.

WIN, when printing. Using Canon's Advanced Printing Technology (CAPT), the imageCLASS D860 prints with high-quality laser resolution of 2400 x 600 dpi at up to 16 pages-per-minute (ppm) for letter-size prints.

You have a large supply of paper available for copying and printing using the 500-sheet paper cassette and the 100-sheet multipurpose tray. The multipurpose tray can accommodate a variety of sizes and types of paper stock such as bond, plain and color paper, transparencies, labels and envelopes.

Built for reliability and ease-of-use, the imageCLASS D860, using Canon's exclusive Single Cartridge System, as well as years of fine-tuned copying and printing know-how, will attest to Canon's commitment to providing products with a level of expertise that ensures your office runs efficiently.
