- › Intuitive 7-inch color touch screen interface
- › High-speed Ethernet connection
- › Color scanning to network, FTP & e-mail
- › Duplex printing
- › Windows, Mac & Linux print support

MFX-C4000
Professional Edition

DEPLOY. DUPLICATE. DIGITIZE. DELIVER.

muratec

FEATURES AND BENEFITS

High-Resolution Color Output

- 40 page-per-minute color print engine, advanced image enhancement, automatic collation and optional staple finishing combine to enable the seamless creation of high-resolution, distribution-ready output
- Reduce paper consumption and day-to-day operational costs by utilizing the 35 image-per-minute duplex print and copy capabilities
- Reduce monthly operating costs, not to mention fuel cost, by producing color enhanced client proposals, sales presentations and other business-critical documents in-house using the MFX-C4000 Professional Edition

100-sheet reversing automatic document feeder / legal-size platen glass

- Enables copying, scanning or faxing of large jobs without having to separate them into multiple sets
- Legal-size platen glass enables the copying, scanning or faxing of documents that are not appropriate for the document feeder
- ID card copy mode easily captures the front and back of identification cards, such as medical insurance cards or driver's licenses, and produces them on a single sheet of paper

Intuitive operation

- Well-designed color touch screen allows for one-touch access to commonly used functions
- *EasyChangeSM* consumables can be easily accessed and replaced without hassle

Flexible paper configuration

- Standard 520-sheet front-loading paper cassette is both accessible and adjustable
- Standard 100-sheet multipurpose bypass tray is the perfect solution for producing envelopes, letterhead, labels and transparencies

- Additional paper cassettes can be added for increased handling and performance (2,720 sheet maximum capacity)

High-resolution scanning

- High-resolution color scanner (up to 4800 x 4800 dpi) captures photo quality color images and crisp monochrome text
- Quickly digitize color and monochrome documents for delivery to e-mail addresses, FTP sites and network locations
- Supports LDAP address book access

Powerful printing solutions

- Standard 10/100 BaseT Ethernet connection and high-speed USB port easily connects a single user, or entire workgroup, to the MFX-C4000 Professional Edition
- Standard PCL6 and PostScript 3 enables a high-speed print solution for the mid-sized workgroup
- 80 GB Hard Drive enables automatic collating, proof printing, delayed printing, confidential printing and password protected secure printing
- Flexible OS support – Windows: 98, Me, NT 4.0, 2000, XP, Vista
Linux: Various Red Hat, Fedora Core, Mandrake, SuSE
Mac OS: 10.3 – 10.5

High-speed fax operation (Optional)

- 33.6 Kbps fax modem transmits documents at up to 3 seconds-per-page
- Store up to 200 fax numbers in the address book for instant recall
- Fax numbers can be accessed from the touch screen enabling one-touch sending
- Quickly send documents from a PC using the intuitive fax driver
- Route inbound fax documents to an e-mail address to reduce paper consumption, increase document security and receive critical communication when out-of-the-office

SPECIFICATIONS – MFX-C4000 PROFESSIONAL EDITION
